Quantity	8
Height (in m)	1,76
Number of items /layer	8
Number of layers / pallet	1
Pallet size (in mm)	1200x800
Weight (in kg)	94

**Colours :**

Traffic White 9016

**Precautions for use :**

- The station must be installed at room temperature (15°C to 25°C), away from heat and direct sunlight, far from any flammable source and in a well-ventilated room.

- All our disinfection stations require regular cleaning (once a week): emptying the gel, cleaning the tank with hot water, refilling with gel.
